Re: Docket No. 990375-TX

Dear Mr. Dunbar:

I am writing to let you know that the Commission does not normally issue orders granting (or denying) petitions to intervene in rulemaking proceedings conducted pursuant to section 120.54(3)(b), Florida Statutes. The statute does not require a person to show that he or she will be substantially affected by the rule in order to participate in the proceedings, so no purpose would be served in making such a determination.

Rulemaking proceedings also differ from formal, section 120.57 proceedings in other ways and I would be happy to discuss them with you if you will call me. In particular, you should know that although your name is on the Commission's mailing list for this docket, there is no requirement that other interested persons send you copies of the comments or documents that they file. You should check the docket index listing and obtain copies from the Division of Records and Reporting if you wish to review them.

Please call me if you have any questions about other procedures.

Sincerely,

*Diana W. Caldwell*
