Re: Transfer of Control of SINGLE BILLING SERVICES, INC. to Ms. Helen Shih

Dear Sir:

Single Billing Services, Inc. ("SBSI"), by its attorneys, hereby notifies the Florida Public Service Commission of the proposed transfer of control of SBSI from its current shareholders to Ms. Helen Shih ("Ms. Shih") through the sale of all of SBSI's stock and request that any necessary approval of this transaction by the Florida Public Service Commission be expeditiously granted.

SBSI, a Delaware corporation, is currently certified to provide intrastate toll telecommunications services in Florida.¹ SBSI is currently authorized as a reseller of intrastate interexchange telecommunications service in 25 states. It also is authorized by the Federal Communications Commission to resell interstate and international service. The parties respectfully request expedited treatment of this petition in order to permit them to consummate the transaction without undue delay.

On March 29, 1999, Ms. Shih and the shareholders of SBSI entered into a Stock Purchase Agreement whereby Ms. Shih will acquire 100 percent of the issued and outstanding capital stock of SBSI from SBSI shareholders.

¹ SBSI was authorized by the Commission to provide intrastate telecommunications services as a reseller in Order No. PSC-98-1399-FOF-TI, in Docket No. 980804-TI, effective October 19, 1998.

Ms. Shih is financially qualified to acquire control of SBSI and its business. We will provide a copy of Ms. Shih's most recent financial statements upon request.

The transfer of control of SBSI from its current shareholders to Ms. Shih is in the public interest. The addition of SBSI to Ms. Shih's other interests will enhance both Ms. Shih and SBSI's ability to compete in the market for telecommunications services in Florida and elsewhere. The benefit from increased economies of scale will permit SBSI to operate more efficiently and thus to compete more effectively.

In addition, SBSI will had access to the financial resources it needs to introduce new products and services and to respond to competition in the competitive telecommunications environment in Florida. Over time, consumers in Florida will benefit from a greater number of products and service options, as well as lower prices.

SBSI's former address is:
