DISCUSSION OF ISSUES

ISSUE 1: Should Orlando Payphones, Inc. (Orlando Payphones) be ordered to show cause why a fine of \$100 for an apparent violation of Rule 25-24.515, Florida Administrative Code, Pay Telephone Service, should not be imposed or certificate number 5845 should not be canceled?

RECOMMENDATION: Yes. The Commission should order Orlando Payphones to show cause in writing within 21 days of the date of the order why it should not have Certificate No. 5845 canceled or be fined \$100 for apparent violation of Rule 25-24.515, Florida Administrative Code. Orlando Payphones' response must contain specific allegations of fact or law. If Orlando Payphones fails to respond to the show cause, and the fine is not paid after reasonable collection efforts by the Commission, certificate number 5845 should be canceled. If the fine is paid it will be remitted by the Commission to the State of Florida General Revenue Fund pursuant to Section 364.285, Florida Statutes. (T.E.Johnson)

STAFF ANALYSIS: Staff performed a service evaluation of a pay telephone station operated by Orlando Payphones on February 24, 1999. Through written correspondence, staff notified Orlando Payphones of the apparent violations.

Staff performed a reevaluation of the same pay telephone station on April 19, 1999. Although Orlando Payphones reported that all violations had been corrected, the table provided as Attachment A (page 5) depicts the apparent rule violation that was still present in the reevaluation.

By Section 364.285, Florida Statutes, the Commission is authorized to impose upon any entity subject to its jurisdiction a penalty of not more than \$25,000 for each offense, if such entity is found to have refused to comply with or to have willfully violated any lawful rule or order of the Commission, or any provision of Chapter 364. Utilities are charged with knowledge of the Commission's rules and statutes. Additionally, "[i]t is a common maxim, familiar to all minds, that 'ignorance of the law' will not excuse any person, either civilly or criminally." Barlow v. United States, 32 U.S. 404, 411 (1833).

Staff believes that Orlando Payphones' conduct in providing pay telephone services in apparent violation of Commission Rule 25-24.515, Florida Administrative Code, has been "willful" in the sense intended by Section 364.285, Florida Statutes. In Order No. 24306, issued April 1, 1991, in Docket No. 890216-TL titled In re: Investigation Into The Proper Application of Rule 25-14.003, F.A.C., Relating To Tax Savings Refund for 1988 and 1989 For GTE Florida, Inc., having found that the company had not intended to violate the rule, the Commission nevertheless found it appropriate

to order it to show cause why it should not be fined, stating that "In our view, willful implies intent to do an act, and this is distinct from intent to violate a rule." Thus, any intentional act, such as Orlando Payphones' conduct at issue here, would meet the standard for a "willful violation."

Accordingly, staff recommends that the Commission find that Orlando Payphones' apparent violation of Rule 25-24.515, Florida Administrative Code, warrants issuance of a show cause order. In this regard, the Commission should order Orlando Payphones to show cause in writing within 21 days of the date of the order why it should not have certificate number 5845 canceled or be fined \$100 for apparent violation of Rule 25-24.515, Florida Administrative Code. Orlando Payphones' response must contain specific allegations of fact or law. If Orlando Payphones fails to respond to the show cause, and the fine is not paid after reasonable collection efforts by the Commission, certificate number 5845 should be canceled. If the fine is paid it will be remitted by the Commission to the State of Florida General Revenue Fund pursuant to Section 364.285, Florida Statutes.

ISSUE 2: Should this docket be closed?

RECOMMENDATION: If staff's recommendation in Issue 1 is approved, then Orlando Payphones will have 21 days from the issuance of the Commission's show cause order to respond in writing why it should not be fined in the amount proposed or have its certificate canceled. If Orlando Payphones timely responds to the show cause order, this docket should remain open pending resolution of the show cause proceeding. If the fine is paid, it should be forwarded to the Office of the Comptroller for deposit in the General Revenue Fund pursuant to Section 364.285(1), Florida Statutes, and this docket should be closed. Staff recommends that if Orlando Payphones fails to respond to the Order to Show Cause, and the fine is not received within five business days after the expiration of the show cause response period, Orlando Payphones' certificate should be canceled and this docket closed.
