**NOTICE OF INTENT TO REQUEST
CONFIDENTIAL CLASSIFICATION**

US LEC of Florida Inc. ("US LEC"), by and through undersigned counsel, pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby files this Notice of Intent to Request Confidential Classification of certain proprietary confidential business information contained in US LEC's response to Florida Public Service Commission (the "Commission") staff's 1999 ALEC Data Request.

Under cover of letter dated July 1, 1999, Commission staff provided US LEC with a data request designed to help the Commission evaluate the status of local competition in the telecommunications industry. A copy of this letter is attached hereto as Exhibit "A." The letter requests that responses be submitted no later than August 6, 1999.

US LEC is submitting its response to staff's 1999 ALEC Data Request in accordance with the July 1, 1999 letter. US LEC's response to the 1999 ALEC Data Request, however, contains proprietary confidential business information as that term is defined in Section 364.183(3), Florida Statutes. Specifically, the 1999 ALEC Data Request requires US LEC to reveal: (i) the number of access lines served by exchange, (ii) the number of NXX codes assigned, and the quantity of numbers assigned from such NXX codes; (iii) its gross Florida intrastate operating

revenues for the year ending December 31, 1998; and (iv) its 1998 assessable revenues. Thus, US LEC is submitting its response to the 1999 ALEC Data Request under cover of this Notice of Intent to Request Confidential Classification.

US LEC is submitting its response to the 1999 ALEC Data Request in strict accordance with the confidentiality requirements of Rule 25-22.006. Accordingly, US LEC submits herewith: (i) a separate, sealed envelope, containing one copy of US LEC's response to the 1999 ALEC Data Request with the information for which US LEC intends to request confidential classification highlighted; and (ii) two copies of US LEC's response to the 1999 ALEC Data Request with the information for which US LEC intends to request confidential classification redacted. Only the redacted copies may be made available for public inspection. By submitting its response to staff's 1999 ALEC Data Request under cover of this Notice of Intent to Request Confidential Classification, US LEC in no way shall have been deemed to have waived the confidentiality of the information contained therein that is the subject of this Notice.

Respectfully submitted,

Dear Mr. Grefrath:

Chapter 364, Florida Statutes, contains the framework the Commission uses for regulation of the telecommunications industry. As a result of certain amendments made to this chapter during the 1995 Legislative session, the Commission has a statutory mandate to prepare and deliver annually a report, to the Governor and the Legislature, on the status of competition in the telecommunications industry. The report is due December 1, 1999.

In order to meet this Legislative mandate we must gather data from the industry. The attached data request will help us evaluate the status of local competition in Florida. The survey was designed to enable fairly brief responses. In addition, we ask that you provide any comments or additional information you believe will assist staff in evaluating and reporting on the development of local exchange competition in Florida.

Once the completed data request is received by the commission, the information will become public record. If you believe your response to the data request contains confidential information, you can request that your response be exempt from F.S. 119.07(1), General State Policy on Public Records. Enclosed is Florida Public Service Commission Rule 25-22.006, Florida Administration Code, which provides the necessary information for submitting confidential information to be exempt from F.S. 119.07(1).

In order to meet our statutory obligations, it is essential that we obtain this information in a timely manner. Florida Public Service Commission Rule 25-4.043, Florida Administration Code, Response to Commission Staff inquiries, states:

The necessary replies to inquiries propounded by the Commission's staff concerning service or other complaints received by the Commission shall be furnished in **writing within fifteen (15) days** from the date of the Commission inquiry.

Failure to comply with Rule 25-4.043, Florida Administration Code, can result in the Commission assessing penalties of up to \$25,000 per offense, where each day of non-compliance constitutes separate offences per F.S. 364.285(1).

We ask that you provide your responses to the enclosed data requests no later than August 6, 1999. Your response may be sent via mail, or by facsimile to (850) 413-6549. If there are any questions, please call David Wolfe at (850) 413-6548.

Sincerely,
