990851-TP

====NOTE=====8/04/99=10:37am==  
Linda, Columbia Telecommunications,  
Inc. is missing its d/b/a in both of  
the Docket titles. Please revise  
titles to reflect the d/b/a axessa.  
CMS should also reflect that axessa  
does hold AAV, with ALEC authority,  
Certificate No. 4035.

I will be doing an A-Order for 990566  
to reflect the correct name and amend  
that it is in fact a certificate  
holder. Thanks!
