Re: Docket No. 990940-WS; Application of Aloha Utilities, Inc. for Amendment of Water and Wastewater Certificates Nos. 570-W and 496-S in Pasco County. C-274138W.

Dear Ms. Falzone:

We received your letter on August 10, 1999 concerning water and wastewater service. Your letter indicates that you are happy with Pasco County Utility service, and see no need to make a change. I believe Ms. Carol L. Dutra, of the law firm of Rose, Sundstrom & Bentley, LLP, has already addressed your concern that you will remain a Pasco County Utility customer in her letter dated August 12, 1999 (copy attached). I contacted Ms. Dutra on August 18, 1999 and she confirmed that Pasco County Utility service would continue at your property.

If you have any questions, please contact our Legal Counsel, Mr. Jason Fudge at (850) 413-6199, by September 20, 1999, if you intend to pursue the objection, and therefore, a hearing. After September 20, 1999, if a response from you is not received, we will move forward in processing this amendment without a hearing.

Sincerely,

bill lowe

Re: Response to August 3, 1999 letter;
PSC Docket No. 990940-WS; Application for Certificate Amendment
Aloha Utilities, Inc.; Our File No. 26038.29

Dear Mrs. Falzone:

This firm represents Aloha Utilities, Inc., ("Aloha") with regard to the above-referenced Application. The Application was filed to provide continuity and efficiency of service and conform to the contours of the subdivisions located in the Heritage Springs and Fox Wood Development. Currently, the boundary line between the service area of the two utilities cuts through your property. The Application is intended to correct matters such as this. When you purchased your home you were hooked up to Pasco County Utilities in anticipation of the Application. *Please be aware that your home will continue to be served by Pasco County Utilities* and will be officially deleted from the Aloha service territory once the Application is processed. Given your desire to be served by Pasco County Utilities, we would ask that you contact the Public Service Commission in support of the Application.

If you have any more questions regarding the above, please do not hesitate to call me at the above-referenced number.

Sincerely,

Carol L. Dutra, Esq.

Attention: Director, Div. of Records & Reporting

Dear Sir:

I lived in Port Richey, Florida for twenty years, at which time I was satisfactorily serviced by Pasco County Utilities.

I recently purchased a new home in Heritage Springs, New Port Richey, where I am presently living. However, this past week I received a NOTICE OF APPLICATION FOR EXTENSION OF SERVICE AND DELETION OF TERRITORY from your office.

When in the process of buying this home, I was assured that I would continue to be served by Pasco County Utilities.

I do not want to make a change to Aloha Utilities, as I have been receiving excellent service and see no need to make a change. I therefore request that Pasco County Utilities continue to serve me.

Sincerely,

Robin Falzone
