AMENDMENT OF CERTIFICATE NUMBERS 279-W AND 226-S
IN SEMINOLE COUNTY, FLORIDA**

COMES NOW, Intervenor, Coalition for Responsible Econlockahatchee Development (C-RED), by and through its undersigned counsel, and hereby withdraws its objection to Florida Water Service's (FWS'S) application for amendment of certificate numbers 279-W and 226-S, and, in support thereof states as follows:

- (1) On May 11, 1999, the Board of County Commissioners of Seminole County adopted certain amendments to the Seminole County Comprehensive Plan (SCCP), including an amendment to the adopted urban/rural boundary.
- (2) On June 16, 1999, FWS amended its application by filing Second Revised Exhibits Q, R and S with the Public Service Commission. The amendment withdrew those areas outside of the adopted urban/rural boundary from the FWS application.
- (3) One June 23, 1999, the Florida Department of Community Affairs published its Notice of Intent to find the SCCP amendments in compliance.

- (4) On July 14, 1999, the adopted SCCP amendments, including the amended urban/rural boundary, became effective as no affected party filed an objection to the adopted amendments within twenty-one (21) days as required by law.
- (5) As a result of the above-stated events, the FWS application, as amended by the filing of June 16, 1999, is consistent with the goals, policies and objectives of the SCCP and C-RED no longer objects to the application.

RESPECTFULLY SUBMITTED this 8/17/99 day of August, 1999.
