Bob, we received a confidential filing from FPL on Friday concerning its report on interruptions and curtailments per Rule 25-6.018. Who in EAG should I contact about opening a docket to deal with the request for confidentiality?

Connie, I found from your voice mail that you're out until Wednesday. Can you advise asap on your return whether we need to keep this confidential filing--in which case we will need to open a docket to address the request for confidentiality. Thanks. Kay
