In re: Adoption of Numeric
Conservation Goals and
Consideration of National Energy
Policy Act Standards (Section
111) by Florida Public Utilities
Company.

DOCKET NO. 990721-EG
ORDER NO. PSC-99-2286-PCO-EG
ISSUED: November 22, 1999

ORDER GRANTING EXTENSION OF TIME

By motion filed November 10, 1999, Florida Public Utilities Company (FPUC) requests an extension of time to file its direct testimony and proposed numerical conservation goals in this docket. Pursuant to Order No. PSC-99-2134-PCO-EG, issued October 28, 1999, the deadline for filing direct testimony and proposed goals in this docket is November 15, 1999. By its motion, FPUC requests that it be granted an extension to file its direct testimony and proposed goals on November 30, 1999.

In support of its request, FPUC asserts that it intends to request that its currently established goals be continued and that additional time is needed to address issues associated with that proposal and to collect the information necessary for FPUC's testimony. In its motion, FPUC states that there are no intervenors in this docket, and, therefore, no party opposes FPUC's request. The Executive Office of the Governor is a party pursuant to Section 366.82(2), Florida Statutes, but has indicated that it does not oppose FPUC's motion. Because FPUC has shown good cause for the requested extension and no party opposes the motion, FPUC's request is hereby granted.

Good cause having been shown, it is therefore .

ORDERED by Commissioner Susan F. Clark, as Prehearing Officer, that Florida Public Utility Company's Motion for Extension of Time is hereby granted.
