MOTION FOR FURTHER EXTENSION OF TIME

Comes now Florida Public Utilities Company ("FPUC") through undersigned counsel and requests a further extension of time to file direct testimony in this docket. As grounds, FPUC would state:

1. On October 28, 1999, the Commission entered Order No. PSC-99-2134-PCO-EG, and established November 15, 1999 as the due date for direct testimony. By Order No. PSC-99-2286-PCO-EG, issued November 22, 1999, the prehearing officer granted an extension of time until November 30, 1999 to file FPUC's direct testimony. The purpose of this extension was to allow the Company additional time to address issues associated with the current goals and to collect information that would allow the development of meaningful testimony.

2. By this motion, FPUC requests a further extension, through December 7, 1999 in order to complete this review, analysis, and testimony preparation process. Work on this testimony has been further delayed because of a death in the family of Mr. Horton, who has been working closely with the Company in this matter.

3. FPUC believes that this further extension will not adversely impact the remaining schedule for this docket.
