Dear Ms. Isler,

The enclosed check represents the uncalculated amount of interest on an apparent past due payment we made Nov. 22nd. This is in reference to the state cancelling our pay phone certificate, Docket #991144-TC. The company accountant, John Mann, has been in contact with yourself and has advised me to send this payment via overnight delivery.

We thank you for your attention to this matter. If our effort is less than sufficient to restore our pay phone certificate I request that you give me a telephone call at 954 763 5721.
