RE: DOCKET NO. 990037-EI - Petition of Tampa Electric Company to close Rate Schedules IS-3 and IST-3, and approve new Rate Schedules GSLM-2 and GSLM-3.

Issue 1: Should the Settlement Stipulation filed by Florida Industrial Power Users Group, Coronet Industries Inc., and Tampa Electric Company be approved?

Recommendation: Yes, subject to the following interpretations: (1) that the Commission can close the IS-3, IST-3, and SBI-3 rates in the next rate case based on the record evidence in that case and (2) the agreement allows TECO to rotate interruptions as needed, and does not require them to interrupt all interruptible customers. The order approving the agreement should reflect these two interpretations.
