Re: Protel Advantage, Inc. d/b/a Long Distance Savings  
 Docket No. 991586-TI

Dear Ms. Bayo:

Enclosed please find Protel Advantage, Inc. d/b/a Long distance Savings 2000 Interexchange Company Regulatory Assessment Fee Return along with their check in the amount of \$646.13.

I am also enclosing a copy of our letter to the Florida PSC dated December 7, 1999, containing our settlement offer. However, I understand from Ms. Paula Isler that this was never received. Protel respectfully requests the Commission to accept a \$100.00 settlement in lieu of the \$500.00 fine normally imposed for late filing for the year 1998. In addition I understand that Protel also has an interest balance of \$6.10 from the previous year which is also enclosed. It has come to Protel's attention that their underlying carrier is not able to provide the revenue information by January 31<sup>st</sup>. Therefore, Protel will file for an extension of time within the required period or file an estimated return in the future to ensure that all necessary reports are filed in a timely manner.

I would appreciate if you would let us know as soon as possible if the Commission is willing to accept the \$100.00 settlement.

Thank you very much for your help and consideration in this matter.

Sincerely,

Steven C. Clay
