Docket No. _____

Waiver of Rule 25-24.515(13), F.A.C.

Dear Ms. Bayo:

Enclosed please find the original and five copies of our request for a two-year waiver of Rule 25-24.515(13), F.A.C. which we ask you file in the above captioned matter.

We Request that the pay telephone located at the address below be exempt for a period of two years from the provisions of Rule 25-24.515(13), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals and schools and at locations specifically exempted by the Commission." The location and number of the public telephone is as follows:

Fish & Chips
504 SW Ave. B Place
Belle Glade, FL 33430

(561) 996-8359

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the using public as intended by the underlying Statute (Section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public. The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephone at this location for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephone for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate. The location provider for the location identified above has either joined in or agreed to this request for waiver, which is attached.

Please advise by Order if our request for waiver has been accepted.

Sincerely,

Lisa Bilchik

Regulatory Administrator Davel Communications, Inc.
