Re: Request for cancellation of AAV certificate for TWC Cable Partners by Cox Communications Pensacola, Inc.

Dear Ms. Bayo:

Pursuant to Rule 25-24.735(2), Florida Administrative Code, Cox Communications Pensacola, Inc., (Cox Communications) requests cancellation of Alternate Access Vendor (AAV) Certificate No. 4033, for service provider TWC Cable Partners. Additionally, Cox Communications respectfully requests that the Commission transfer an existing Regulatory Assessment Fee credit of \$50.00 from the account of Cox Florida Telecom, L.P. d/b/a Cox Communications, Certificate No. 4036, to TWC Cable Partners.

The overpayment of Regulatory Assessment Fees on the Cox Florida Telecom Certificate occurred during the first quarter of 2000. On January 21, 2000, Cox Communications submitted a check for \$177.14 for payment of outstanding 1999 and 2000 Regulatory Assessment Fees for Cox Florida Telecom. On January 28, 2000, Cox Communications mistakenly submitted a second check for \$50.00, also to be applied to the Cox Florida Telecom Certificate creating a credit balance. Please transfer the \$50.00 credit, and apply the credit along with the enclosed check for \$3.00, as final payment of outstanding Regulatory Assessment Fees due from TWC Cable Partners for fiscal year 2000.

TWC Cable Partners no longer provides AAV service, as Cox Communications, through Cox Florida Telecom, has the ability to provide switched and dedicated local and interexchange service statewide. Customer notice is not necessary as TWC Cable Partners has no customers, and hence no deposits held; accordingly, Cox Communications is not providing a representative copy of a customer notice regarding discontinuance of service. The cancellation of AAV Certificate No. 4033 for TWC Cable Partners is to be effective upon receipt by the Florida Public Service Commission.

FPSC-RECORDS/REPORTING

Please be advised that Cox Communications does not wish to cancel AAV Certificate No. 4036 held by Cox Florida Telecom, as it authorizes Cox Communications to continue to provide switched and dedicated local and interexchange service statewide.

Thank you for your assistance in connection with this matter.

Sincerely,
