RE: Memorandum to File for Clarification of Records

A handwritten signature in blue ink, appearing to read "Ann Cole", is written over the "FROM:" line of the memorandum header.

Concerning the above-referenced docket, document number 05229-00 was assigned to ALEC's application along with a \$250 filing fee (deposit D288 dated 5/2/00), filed by Enkido, Inc. An exhaustive review of the paper, microfilm, and fiscal records finds no document to be scanned for the official record. For further information regarding this omission, please contact the Office of Commission Clerk.

It's possible. We'll be scanning SSN/Check, etc. by DN. I'll look for these when we are finished with the confidential scanning project. By the way, Grace has the DNs divided by year, so we're ready to start this new project as soon as Ruth and I are both at a good starting point. Go team!!

Since both of these are copies of checks, is it possible that whoever was doing the "historical project" at the time of scanning, saw the bank account numbers, pull the filings out and gave them to you? I know we are giving the originals to you now.
