RE: Docket No. 981827-EC - Complaint and petition by Lee County Electric Cooperative, Inc. for an investigation of the rate structure of Seminole Electric Cooperative, Inc.

NOX RVE

Via Facsimile

According to my notes, the following list of issues was agreed to at this morning's Issue Identification Conference:

ISSUE 1: Does the Commission have jurisdiction over the subject matter of Lee County Electric Cooperative's Complaint and Petition?

ISSUE 2: What standard of review should the Commission apply to the wholesale rate structure at issue in this proceeding?

ISSUE 3: Is Seminole Electric Cooperative's wholesale rate structure in Rate Schedule SECI-7b fair, just, and reasonable?

ISSUE 4: Should the Commission prescribe a wholesale rate structure for Seminole Electric Cooperative to become effective January 1, 2001?

ISSUE 5: If the Commission determines that it should prescribe a wholesale rate structure for Seminole Electric Cooperative, what is the appropriate rate structure to prescribe?

ISSUE 6: Should this docket be closed?
