SECTION 3 – DESCRIPTION OF SERVICE – CONT'D

3.3 Minimum Call Completion Rate

A Customer can expect a call completion rate (number of call completed/number of calls attempted) of not less than 90% during peak use periods for all FGD services (“1+” dialing).

3.4 Service Offerings

3.4.1 MGC Long Distance Service

MGC Long Distance Service is offered to residential and business customers of its Local Exchange services. The Company does not offer toll services to casual users on a no-presubscribed basis.

The service permits direct dialed outbound calling at non-distance and non-time of day/day of week sensitive usage rates for all Intrastate/Interstate calling. Service is provided from presubscribed, dedicated or shared use access lines. Calls are billed in six second increments with a six second minimum. Customer billing is rounded to the next whole cent. No monthly minimum recurring charges or minimum monthly billing requirements apply.

In addition, where live or automated operator assistance is required for call completion or billing, applicable operator service call placement charges of either the Company or any other carrier will be applied.

3.4.2 MGC 800 (Inbound) Service

MGC 800 (Inbound) Service is offered to business customers. The service permits inbound 800 calling at a single per minute rate. Service is provided from presubscribed, dedicated or shared use access lines.

800 service is only available to business customers who have an MGC-provided local exchange line and where service is available within the United States, Canada and the Caribbean. The Customer may be assigned any of the designated 800 numbers, e.g., 877, 888, that are available.

Calls are limited to originating or terminating within the service areas listed below. The Customer may choose from any of the following calling options:

Service Area Option 1	United States
Service Area Option 2	United States + Canada
Service Area Option 3	United States + Canada + Caribbean

SECTION 4 – RATES - CONT'D

4.8 Special Rates for the Handicapped

(M)

4.8.1 Directory Assistance

There shall be no charge for up to fifty (50) calls per billing cycle from lines or trunks serving individuals with disabilities. The Company shall charge the prevailing tariff rates for every call in excess of 50 within a billing cycle. The Customer must contact the Company for credit on their directory assistance calls.

4.8.2 Hearing and Speech Impaired Persons Discounts

A telephone toll message which is communicated using a telecommunications device for the deaf (TDD) by properly certified hearing or speech impaired persons or properly certified business establishments or individuals equipped with TDDs for communicating with hearing or speech impaired persons will receive, upon request, credit on charges for certain intrastate toll calls placed between TDDs. The credit to be given on a subsequent bill for such calls placed between TDDs will be equal to applying the evening rate during business day hours and the night/weekend rate during the evening rate period. Discounts do not apply to surcharges or per call add on charges for operator service when the call is placed by a method that would normally incur the surcharge.

4.8.3 Telecommunications Relay Service

For intrastate toll calls received from the relay service, the Company will when billing relay calls discount relay service calls by fifty (50) percent off the otherwise applicable rate for a voice nonrelay call except that where either the calling or called party indicates that either party is both hearing and visually impaired, the call shall be discounted sixty (60) percent off of the otherwise applicable rate for a voice nonrelay call. The above discounts apply only to time-sensitive elements of a charge for the call and shall not apply to per call charges such as a credit card surcharge.
