This letter is to inform you of my request to cancel my membership and affiliation with the Public Service Commission. Unfortunately, due to major financial difficulties in starting and maintaining my payphone business, I have had to file a Chapter 7 Bankruptcy. The Bankruptcy is in the beginning stages at this point. Any questions or needed information regarding the Bankruptcy can be obtained through my attorney, Kim Levy, at the following number: (941)334-0128. His address is as follows: 2110 Cleveland Avenue, Fort Myers, Florida 33901.

I would also like to request, as of 8/7/2000, a voluntary cancellation of my Certificate. I am not sure if I will be required to pay the Regulatory Assessment fee, so I will wait to hear from you on that. I did speak to Ray Kennedy today (8/7/2000), so he is aware of my dilemma and my intentions.

Thank You very much for all of your Professionalism and Assistance.
