Yes, they should. Therefore, I assumed that they would be included automatically to receive the notice. Thanks.

The pay telephone holders are in one group, and the ILECS are in a different group. Are you saying that these ILECS should also hold the pay telephone certificates?

All the ILECs should be included in the certificated companies with pay telephone certificates. The "Notice" was to "All Certificated Pay Telephone Companies" which should include the ILECs.

Sorry for the delay in response. I have been out of the office all week and just returning back today. Thank you.
