Re: Docket No. 000545-WS -Application for original certificates to operate a water and wastewater utility in Pasco County by Labrador Services, Inc.

Dear Mr. Webb:

I have recently received notice of the unfortunate death of Mr. Henry Viau, director and owner of Labrador Services, Inc. (Labrador or utility). Please allow me to extend my sympathy in light of these difficult circumstances.

As you are aware, the above-referenced certificate application is pending before the Commission. In order to continue processing the application, staff needs to be apprised of the status of the utility following Mr. Viau's death, and to determine whether a trustee or successor has been appointed. Please notify me at your soonest convenience regarding the status of the utility so that staff may continue the processing and ultimate disposition of this docket.

Thank you in advance for your assistance in this matter. If you have any questions or concerns, please do not hesitate to contact me at (850) 413-6228.

Sincerely,

Jennifer S. Brubaker  
Senior Attorney
