### CASE BACKGROUND

On June 11, 1999, ITC^DeltaCom Communications, Inc., d/b/a ITC^DeltaCom (DeltaCom) filed a Petition for Arbitration pursuant to Section 252(b) of the Telecommunications Act of 1996 (Act)<sup>1</sup> seeking arbitration of certain unresolved issues in the interconnection negotiations between DeltaCom and BellSouth Telecommunications, Inc. (BellSouth). On July 6, 1999, BellSouth filed its response.

An administrative hearing on the issues was held October 27-29, 1999. Subsequent to the hearing, the parties filed a Joint Motion of the Parties Notifying the Commission of Recently Resolved Issues, by which additional issues were removed from this

arbitration proceeding. On March 15, 2000, the final order on arbitration, Order No. PSC-00-0537-FOF-TP, (Final Order) was issued.

On March 30, 2000, BellSouth filed a Motion for Reconsideration of the Final Order. On April 11, 2000, DeltaCom filed its Response to BellSouth's Motion for Reconsideration. On April 24, 2000, BellSouth filed a Motion for Leave to File a Reply Memorandum. DeltaCom filed a Motion to Strike BellSouth's Motion for Leave to File Reply Memorandum and its Response to BellSouth's Reply Memorandum on May 8, 2000. Finally, on May 16, 2000, BellSouth filed a Response to DeltaCom's Motion to Strike Motion for Leave to File Reply Memorandum. Staff's recommendation addressing the issues raised in the motions was deferred to allow the parties time to negotiate a settlement. On October 24, 2000, BellSouth filed a Notice of Partial Withdrawal of Motion for Reconsideration.

This docket was originally assigned to a two member panel. In light of the resignation on one of the panel members, the remaining panel member rendered the decision on reconsideration consistent with Section 350.01(5), Florida Statutes. The parties were contacted and raised no objections.

## II. Jurisdiction

Part II of the Federal Telecommunications Act of 1996 (Act) sets forth provisions regarding the development of competitive markets in the telecommunications industry. Section 251 of the Act regards interconnection with the incumbent local exchange carrier and Section 252 sets forth the procedures for negotiation, arbitration, and approval of agreements.

Section 252(b) addresses agreements arrived through compulsory arbitration. Specifically, Section 252(b)(1) states:

(1) Arbitration. - During the period from the 135th to 160th day (inclusive) after the date on which an incumbent local exchange carrier receives a request for negotiation under this section, the carrier or any other party to the negotiation may petition a State commission to arbitrate any open issues.

Section 252(b)(4)(C) states that the State commission shall resolve each issue set forth in the petition and response, if any, by imposing the appropriate conditions as required. This section

requires this Commission to conclude the resolution of any unresolved issues not later than nine months after the date on which the local exchange carrier received the request under this section.

In addition, Section (e)(5) states:

Commission to act if state will not act.--If a State commission fails to act to carry out its responsibility under this section in any proceeding or other matter under this section, then the Commission shall issue an order preempting the State commission's jurisdiction of that proceeding or matter within 90 days after being notified (or taking notice) of such failure, and shall assume the responsibility of the State commission under this section with respect to the proceeding or matter and act for the State commission.

On November 22, 2000, the final order on arbitration, Order No. PSC-00-2233-FOF-TP, was issued which among other things, required the agreement to be filed within 20 days of the date the order was issued. On December 12, 2000, the parties filed an Agreed Motion for Extension of Time.

#### DISCUSSION OF ISSUES

**ISSUE 1:** Should the Commission grant ITC^DeltaCom Communications, Inc d/b/a ITC^DeltaCom (DeltaCom) and BellSouth Telecommunications, Inc.'s (BellSouth) Agreed Motion for Extension of Time?

**RECOMMENDATION:** Yes. Staff recommends that the Commission grant the Agreed Motion for extension of Time.

**STAFF ANALYSIS:** In support of their Motion, DeltaCom and BellSouth state that because the interconnection agreement has not been completed and due to the upcoming holidays, it requests an extension of time for filing a new interconnection agreement until 30 days from December 12, 2000.

DOCKET NO. 990750-TP  
DATE: December 20, 2000

Staff believes that because the parties have agreed to this extension and it appears no interests will be harmed by the granting of the extension, it would be reasonable for the Commission to grant the extension. Pursuant to the request, the agreement would be due January 11, 2001. Therefore, staff recommends that the Commission grant the parties request to grant the Agreed Motion for extension of time.

**ISSUE 2:** Should this docket be closed?

**RECOMMENDATION:** No. Staff recommends the docket remain open pending the filing of the Agreement.

**STAFF ANALYSIS:** Staff recommends the docket remain open until the agreement has been filed and the Commission takes final action.
