Subject: Late filing for Adeptel.

TJ 261

Dear Paula:

I write this brief note to explain and apologize for this late filing. We have been working hard to make Adeptel a reality. There have been numerous people and entities involved, and it was only yesterday that it looks like we have resolved all the operational issues.

As such, since Adeptel has not done any business, we did not realize that the annual filing with the Florida Public Service Commission was required even when no business was transacted.

Please accept our apology and kindly advise if there is anything else we need to do.

Sincerely,

Juan F. Sierra

President/CEO
