Re: Docket 010034-TP Approval of the Interconnection, Unbundling, Resale and Collocation Agreement by BellSouth Telecommunications, Inc. ("BellSouth") and Xspedius Corp. pursuant to Sections 251, 252 and 271 of the Telecommunications Act of 1996

Dear Mrs. Bayo:

Pursuant to section 252(e) of the Telecommunications Act of 1996, BellSouth and Xspedius Corp. are submitting to the Florida Public Service Commission their negotiated agreement for the interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth telecommunications services to Xspedius Corp. The agreement was negotiated pursuant to sections 251, 252 and 271 of the Act. This transmittal letter is to replace the original letter filed January 8, 2001, as there was a typographical error in that letter.

Pursuant to section 252(e) of the Act, the Commission is charged with approving or rejecting the negotiated agreement between BellSouth and Xspedius Corp. within 90 days of its submission. The Commission may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity. Both parties represent that neither of these reasons exists as to the agreement they have negotiated and that the Commission should approve their agreement.

Very truly yours,

Marshall M. Criser III
Regulatory Vice President
