**Re: Docket No. 990374-WU - Application for certificates to operate a water and wastewater utility in Highlands County by The Woodlands of Lake Placid, L.P.**

Dear Mr. Caldwell:

We are in receipt of your letter, in which you object to the application filed by The Woodlands of Lake Placid, L.P. in the above-referenced docket.

The Commission needs to know your intent regarding your objection to this application. If you choose to pursue your objection, a hearing will be scheduled in which you will be required to provide testimony and other evidence to support your protest. Although the Commission allows individuals to represent themselves at hearing, you may wish to hire an attorney to represent you.

Please advise me by February 21, 2001, if you intend to pursue your objection and thus a hearing. You can reach me at (850) 413-6228. If I do not hear from you by February 21, 2001, I will assume that you do not want to pursue a hearing and your letter will be placed in the correspondence side of the docket file in this case for informational purposes.

Sincerely,

A handwritten signature in black ink that reads "Jason K. Fudge".
