with Entergy Corporation, etc.

Subject: Florida Municipal Power Agency's Petition to Intervene

Dear Ms. Bayó:

On July 10, your Office pointed out that the referenced Petition contains a discrepancy in the numeral for the address of Florida Municipal Power Agency in Orlando, i.e., 8553 vs. 853. Please be advised that the correct address for Robert C. Williams, P.E., Director of Engineering, Florida Municipal Power Agency, is:

8553 Commodity Circle, Orlando FL 32819-9002

Mr. Williams' address appears on page 2 of the Petition, under paragraph 2., where it is incorrectly listed as 853 Commodity Circle. We appreciate your calling this to our attention, and we apologize for any inconvenience our oversight may have caused your staff. You will note that Mr. Williams' address is correctly reflected on our Service List.

Sincerely,

Frederick M. Bryant
General Counsel for Florida
Municipal Power Agency
