Another IURC agreement filed by BellSouth, with a company they call Broadslate Networks, Inc. We don't have a certificated company by that name (though there is a similar company name in MCD).

Will you contact BellSouth and have them file a correction?

Nancy and Tanya:

I realize that the certificated company in this docket is Broadslate Networks of Florida, Inc., and that Bell has previously said this "situation" is akin to the KMC name situation, but the coversheet you've filed is requesting that an agreement between BellSouth and Broadslate Networks, Inc. The latter company is not certificated with the FPSC, nor is the name "Broadslate Networks, Inc." licensed to do business in Florida.

Therefore, I would request, a second time, that a new petition letter be filed requesting approval of the agreement between BellSouth and Broadslate Networks of Florida, Inc.

Otherwise, pursuant to our rules, this agreement will be denied.
