Re: Rule 25-6.0185, F.A.C.; Electric Utility Procedures for
Long-Term Energy Emergencies.

Dear Ms. Bayó:

Pursuant to Rule 25-6.0185, Florida Power Corporation has reviewed its fuel emergency plan. The Company has determined that the existing plan continues to be adequate and that no changes to the plan are necessary.

Please acknowledge your receipt of the above filing on the enclosed copy of this letter and return to the undersigned. Thank you for your assistance in this matter.

Very truly yours,

James A. McGee
