Subject: Item 7 from 12/4 agenda

After our discussion of the vote sheet on this item, and after receiving minutes with your comments, I listened to tape recording of the motion and vote on this item. Here is what was said:

Comm. Palecki: Commissioners, I can make the motion that has been suggested by Mr. McLean. I would move that we impose a fine of \$1,000, that we suspend that fine, we suspend it conditioned upon the company filing their regulatory assessment fee forms in a timely basis, and that we do this as a PAA order.

Chairman Jacobs: I have a motion. Second?

Comm. Baez: Second.

Chairman Jacobs: It's been moved and seconded. All in favor?

All: Aye.

Chairman Jacobs: Show it approved.

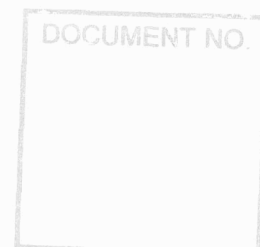

The motion didn't include any specific mention of the 2001 RAF filing.

I will modify the wording on the vote sheet to: "The \$1,000 fine was imposed but suspended conditioned upon the company filing their RAF forms on a timely basis. The order will be issued as a PAA."

Let me know if questions!

RE: Docket No. 010027-TP

On January 5, 2001, IDS Telecom, LLC (IDS) filed a petition for arbitration of terms and conditions of interconnection agreement with BellSouth Telecommunications, Inc. (BellSouth) pursuant to Section 252(b) of the Telecommunications Act of 1996. By letter dated July 16, 2001, IDS requested to withdraw its petition for arbitration in its entirety because all issues had been resolved.

The parties filed a final executed interconnection agreement on July 11, 2001, which has gone into effect by operation of law in accordance with Section 252(e)(4) of the Telecommunications Act of 1996. Since the Commission does not need to take any further action in this matter, this docket may remain closed.
