Jorge has directed the following dockets be **reassigned to Deason, Clark and Jacobs**, instead of Full Commission. They are scheduled for vote on the April 18 Commission Conference and will appear as panel items. I am sending a copy of this E-mail to Dr. Bane, Mr. Talbott, and Mr. Ward. Sandy will make the noted changes in case management once you have issued the case assignment scheduling forms.

Trish, because the Commissioners didn't specifically state in a motion the language you provided in yesterday's e-mail (though all of the points were touched on in discussion among staff, utility reps, and Commissioners during the conference), we are going to use this more "generic" language for the vote sheet:

"...with additional requirement that utility will obtain proper security, as discussed at the conference, in the event of a protest of the PAA order."

The more specific language you provided can be used in the order.

Please let me know if questions.

Thanks for your help.

Here is the language to express the Commission's change to the vote on
Dkts 980992-WS and 981609-WS:

In the event of a protest of the Commission's PAA order, the utility
shall:

A. File either a bond or a letter of credit, or if it qualifies, a
corporate undertaking for the following:

1. Any service availability charges paid (or prepaid) for connections
made between 12/15/98 and 4/18/00, the date of the Commission's vote.
For water, 100% of the plant capacity charges (prepaid or collected)
shall be secured. For wastewater, the difference between the current
charge and the Commission approved plant capacity charge (prepaid or
collected) shall be secured.

2. Any prepaid AFPI as of 12/15/98 that is subject to refund that has
not been escrowed prior to 4/18/00 shall also be secured.

B. All collections after 4/18/00 of prepaid CIAC or new plant
capacity charges for water shall be escrowed. For wastewater, the
difference between the current charge and the Commission approved plant
capacity charge collected after 4/18/00 shall be escrowed.

C. All AFPI collections should continue to be escrowed.
