PUBLIC MEETING SCHEDULED TO DISCUSS INDIANTOWN GAS COMPANY'S PROPOSAL TO PROVIDE CUSTOMERS A CHOICE OF NATURAL GAS SUPPLIERS AND PROPOSED RATE RESTRUCTURING

TALLAHASSEE — The staff of the Florida Public Service Commission (PSC) has scheduled a customer meeting to receive comments from customers in response to a proposal by Indiantown Gas Company (Indiantown or company) to change the way it provides natural gas service to its customers. Under Indiantown's proposal, instead of Indiantown purchasing natural gas and reselling it to its retail customers, it will arrange for customers to contract directly with gas suppliers. Indiantown will serve as the billing agent for the customer's natural gas supplier and will continue to issue customers a single bill for both its transportation service and the natural gas.

Indiantown also filed a separate petition with the PSC to restructure its rates. The rate restructuring is not intended to result in an increase in the amount of revenues collected from its customers as a whole. However, the requested rates would result in rate increases to some customer classes, and decreases to others. Specifically, the requested rates would increase charges to residential and small commercial users, and decrease charges to large industrial users.

On Thursday, July 11, 2002, PSC staff will hold the customer meeting for the purpose of providing customers and other interested persons an opportunity to offer comments and to ask questions regarding Indiantown's request. All customers of Indiantown are invited to attend the meeting which will be held at the following time and location:

**Thursday, July 11, 2002
6:00 p.m.
Indiantown Middle School
16303 SW Farms Road
Indiantown, Florida**

Indiantown serves approximately 600 residential customers, 25 commercial customers and one large cogeneration facility receiving interruptible gas sales service. Indiantown provides service in the communities of Indiantown and Booker Park in Martin County, Florida and adjacent areas.

— more —

PSC staff is scheduled to make a recommendation to the Commission in this case on August 8, 2002, and the Commission vote is scheduled for August 20, 2002.

Petition of Indiantown Gas Company for Authority to Convert All Remaining Sales Customers to Transportation Service and Request for Limited Proceeding for Approval of Natural Gas Tariff Implementing Restructured Rates

Docket Nos. 020470-GU and 020471-GU

On May 24, 2002, Indiantown Gas Company (Indiantown or the company) filed a request with the Florida Public Service Commission (PSC or Commission) for authority to change the way it provides natural gas service to customers. Under Indiantown's proposal, instead of Indiantown purchasing natural gas and reselling it to its retail customers, it will arrange for customers to contract directly with gas suppliers. Indiantown will serve as the billing agent for the customer's natural gas supplier and will continue to issue customers a single bill for both its transportation service and the natural gas.

Indiantown also filed a separate petition on May 24, 2002 with the PSC to restructure its rates. The rate restructuring is not intended to result in an increase in the amount of revenues collected from its customers as a whole. However, the requested rates would result in rate increases to some customer classes, and decreases to others.
