RE: Objection to Sale of Pennbrooke Utilities to Utilities, Inc.
serving Pennbrooke Fairways

030236-WS

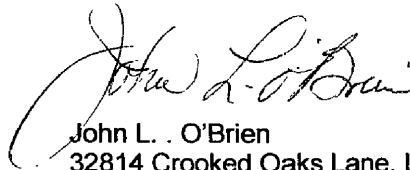

Dear Sir:

I wish to file my objection to the proposed sale of Pennbrooke Utilities to Utilities, Inc. for the following reasons:

- 1) "K" Section in Pennbrooke Fairways has suffered a low water pressure problem as early as 1998. This condition still exists in certain homes in April 2003.
- 2) Pennbrooke Utilities failed to correct the condition still existing in certain "K" section homes. Pennbrook Utilities has demonstrated their unwillingness to correct the problem in their patch work approach.
- 3) I have a file of complaints which are available for your inspection.

I respectfully request that you defer this sale until a resolution satisfactory to "K" section residents is achieved.

Cordially,

John L. O'Brien
