**BELLSOUTH TELECOMMUNICATIONS, INC.'S
REQUEST FOR SPECIFIED CONFIDENTIAL CLASSIFICATION**

COMES NOW, BellSouth Telecommunications, Inc. ("BellSouth"), pursuant to Rule 25-22.006, Florida Administrative Code, and Section 364.183, Florida Statutes, and files its Request for Specified Confidential Classification.

1. On June 23, 2003, BellSouth filed its response to Florida Public Commission Staff's Seventh Request for Production of Documents. BellSouth's Response to Staff's Seventh Requests for Production of Documents, Request Nos. 73, and 74 contain information that is proprietary to BellSouth. BellSouth filed a Notice of Intent to Request Specified Confidential Classification on that same day.

2. BellSouth hereby files this Request for Specified Confidential Classification because the information contained in BellSouth's Response to Staff's Seventh Request for Production of Documents, Request Nos. 73 and 74 are FCC cost studies that provide costs for services within the BellSouth region and are not Florida specific. These studies do not include cost for retail services in Florida. A more specific description of this information is contained in Attachment A. Public disclosure of this

information would cause competitive harm to BellSouth and provide competitors with an unfair advantage in future negotiations. The information discussed in Request for Specified Confidential Classification is valuable and BellSouth strives to keep it secret. Therefore, such information should be classified as confidential business information and customer proprietary information pursuant to Section 364.24 and Section 364.183, *Florida Statutes*. Accordingly, it should be held exempt from the public disclosure requirements of Section 119.07, Florida Statutes.

3. Attachment A to BellSouth's Request for Confidential Classification contains an explanation of the proprietary information along with a list that identifies the location of the information designated by BellSouth as confidential.

4. Attachment B to BellSouth's Request for Confidential Classification is redacted copies of the documents containing the confidential information.

5. Attachment C to BellSouth's Request for Confidential Classification is a highlighted copy of the document containing the confidential information.

6. The information discussed in this Request for Specified Confidential Classification is valuable, BellSouth treats this information as confidential in all requests, and this information has not been generally disclosed.

7. The original of this Request was filed today with the Division of the Commission Clerk and Administrative Services and a copy was served on the Parties.

WHEREFORE, based on the foregoing, BellSouth respectfully requests that, pursuant to Section 364.183, Florida Statutes, the Commission enter an order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.

Respectfully submitted this 14th day of July, 2003.
