Docket No. 030349-TP

Filed: August 22, 2003

**BELLSOUTH TELECOMMUNICATIONS, INC.'S
REQUEST FOR SPECIFIED CONFIDENTIAL CLASSIFICATION**

COMES NOW, BellSouth Telecommunications, Inc. ("BellSouth"), pursuant to Rule 25-22.006, *Florida Administrative Code*, and Section 364.183, *Florida Statutes*, and files this Request for Specified Confidential Classification.

1. On August 1, 2003, BellSouth Telecommunications, Inc. ("BellSouth") filed with the Florida Public Service Commission ("FPSC") a Supplemental Motion to Strike certain exhibits attached to the Direct Testimony of David A. Nilson (Nilson Exhibits) filed by Supra Telecommunications and Information Systems, Inc. ("Supra") on June 30, 2003. Portions of BellSouth's Supplemental Motion contain confidential information. On August 1, 2003 BellSouth filed a Notice of Intent to Request Specified Confidential Classification for certain portions of its supplemental Motion to Strike.

2. BellSouth hereby files this Request for Specified Confidential Classification because the information contained in BellSouth's Supplemental Motion to Strike contains confidential, proprietary information pursuant to Rule 25-22.006(3)(a), *Florida Administrative Code* and pursuant to the terms of a former interconnection agreement and the rules of a commercial arbitration panel. A more specific description of this information is contained in Attachment A. Public disclosure of this information would cause competitive harm to BellSouth

and provide competitors with an unfair advantage in future negotiations and would impair BellSouth's ability resolve matters via the Commercial Arbitration process. The information discussed in Request for Specified Confidential Classification is valuable and BellSouth strives to keep it secret. Therefore, such information should be classified as confidential, proprietary business information pursuant to Section 364.24 and Section 364.183, *Florida Statutes*. Accordingly, it should be held exempt from the public disclosure requirements of Section 119.07, *Florida Statutes*.

3. Attachment A to BellSouth's Request for Confidential Classification contains an explanation of the proprietary information along with a list that identifies the location of the information designated by BellSouth as confidential.

4. Attachment B to BellSouth's Request for Confidential Classification is redacted copies of the document containing the confidential information.

5. Attachment C to BellSouth's Request for Confidential Classification is a highlighted copy of the document containing the confidential information.

6. The information discussed in this Request for Specified Confidential Classification is valuable, BellSouth treats this information as confidential in all requests, and this information has not been generally disclosed.

7. The original of this Request was filed today with the Division of the Commission Clerk and Administrative Services and a copy was served on the Parties.

WHEREFORE, based on the foregoing, BellSouth respectfully requests that, pursuant to Section 364.183, *Florida Statutes*, the Commission enter an order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.

Respectfully submitted this 22nd day of August 2003.

Both BellSouth and Supra agreed to keep the information of the Commercial Arbitrations confidential. This information is proprietary to BellSouth and includes information containing customer proprietary and business proprietary information. The Commission has always zealously protected customer proprietary and business proprietary information in order to protect the customer's privacy and prevent a competitor of the customer from obtaining an unfair advantage.
