Concise explanation, justification or comments (attach additional sheet if necessary):

A dispute between the parties to this docket has arisen concerning whether the Commission should address certain issues related to Tampa Electric Company's coal transportation arrangements at the November 12-14, 2003, hearing scheduled for this docket. The November 3, 2003, Agenda Conference is the last regularly-scheduled Agenda Conference prior to the start of the hearing. Staff believes that this matter should be addressed at the November 3, 2003, Agenda Conference so that the Commission can provide guidance to the parties prior to the hearing.

Staff requests permission to file a recommendation on this matter by 3:00 p.m., Tuesday, October 28.
