COMMISSION CLERK

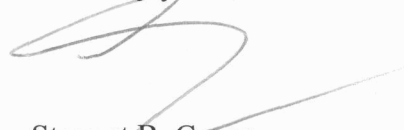

020091-WS

Gentlemen:

I am a resident of Aquarina P.U.D. subdivision located beachside in south Brevard County, Florida. As a resident I am concerned for the water and wastewater services provided to my family. I received a notice of what appears to be an intent by IRD Osprey, LLC to take over transfer of the Aquarina water and wastewater from Service Management Systems, Inc. To my knowledge, IRD Osprey, LLC was just recently incorporated on July 16, 2001, and I have no idea their experience or background in operating this facility. Can you provide me with any materials which accompany the application to show the experience and the financial ability for IRD Osprey, LLC to operate the Aquarina water and wastewater systems? The information I would request would be that information which the applicant submitted to the PSC pursuant to Florida Statutes, 367.045(1)(b). Obviously if there is a copy or postage charge please advise. Without this information I cannot intelligently approve or object to the transfer.

With my regards,

Sincerely yours,

Stewart B. Capps

CONSUMER COMMENTS

Dear Commission Members,
My wife and I want to be on record in opposition to any rate increase in water service for North Buena Vista mobile home park. Our current basic cost is \$8.88 per month the year around. Last winter we were in Florida just over three months, yet we pay the \$8.88 for the entire year. Have you given any thought to raising the basic rate when we are in Florida and then charging a smaller vacation rate when we're not? Currently the part timers are subsidizing the water system for the full time residents. A vacation rate would be much more equitable.
Thank you for considering my protest and suggestion.

Respectfully,
Lyman McLouth
