**SUMMARY OF RESPONSES TO  
CUSTOMER NOTIFICATION LETTER**

Joint Petitioners, Talquin Electric Cooperative, Inc., (“Talquin”) and Progress Energy Florida, Inc., (“Progress Energy”) hereby supplement their Joint Petition filed in this proceeding on March 16, 2004 and submit this summary of responses to the Joint Petitioners’ notification letter to customers subject to immediate transfer under the terms of their proposed Territorial Agreement, and state as follows:

As stated in paragraph 5 of the Joint Petition, the 17 accounts of the Extra-Territorial Customers that are subject to immediate transfer from Progress Energy to Talquin under the terms of the parties’ proposed Territorial Agreement were sent written notification advising them of the Agreement between Talquin and Progress Energy, the Agreement’s transfer provisions, the necessity of Commission approval, and their opportunity to be heard in this regard. A sample copy of the letter providing such notification to the affected Extra-Territorial Customers was appended to the Joint Petition. As of the time this supplemental filing was prepared, one response to the notification letter has been received. The response stated that this Extra-Territorial Customer was opposed to the proposed transfer. Because the notification letters were mailed over three months ago, the
