Robyn,

14095-04

The above agreement includes the interconnection, unbundling, resale and collocation elements, but your transmittal letter only states resale. Please file a revised transmittal letter making the correction to show that each of the elements are included. The statutory deadline for this agreement is June 1, 2004, so I need to get a corrected letter as soon as possible. Please reply to this e-mail to let me know when I can expect to receive your corrected letter.

Kay, FYI, I will be preparing the memo to include all the elements.
