**Re: Docket No. 050192-WS - Application of Central Sumter Utility Company, L.L.C. for original water and wastewater certificates in Sumter County, Florida**

Dear Mr. Brown:

The Commission has received your letter dated April 27, 2005, in which you explain that you do not wish to receive water and wastewater service from Central Sumter Utilities. We interpret your letter to mean that you do not want water and wastewater service for your own property, but you do not object to the company obtaining certificates from the Commission to provide service to others in the area. It is our understanding that the company would not provide service to your property unless you asked for service. In view of that fact, we will place your letter in the correspondence side of the docket file of this case for information purposes, and we will not consider your letter a request for a formal administrative hearing. If this is not correct, will you please let me know in writing by July 5, 2005?

You should receive a letter soon from the company confirming that you do not have to take water and wastewater service from them. If you have any further questions, please feel free to call me at (850)413-6187.

Sincerely,

*Martha Carter Brown*
