RE: Docket No. 050300-EI - Request for approval to begin depreciating Martin Unit No. 8 and Manatee Unit No. 3 using whole life depreciation rates currently approved for Martin Power Plant, Unit No. 4 and Common, by Florida Power & Light Company.

Issue 1: Should new depreciation rates be approved for Florida Power & Light's Manatee Unit No. 3 and Martin Unit No. 8 plant subaccounts based upon the whole life depreciation rate prescribed for Martin Unit No. 4?

Recommendation: Yes. For Manatee Unit No. 3 and Martin Unit No. 8, FPL proposes the whole life depreciation rates as shown on Attachment A of staff's July 7, 2005 memorandum. These rates should be approved for the combined cycle generating units, pending a comprehensive depreciation study in 2009. The depreciation rates reflect those currently prescribed whole life depreciation rates for Martin Unit No. 4 and Common plant subaccounts.
