Please docket it as you described below, e.g., only include the AAV.

Please give me an hour or two to get back to you on this. It may not need docketing, but I will check.

Hi Ray,

I've received a letter regarding notice of indirect transfer of control of Winstar Communications, LLC to GVC networks, LLC. I notice that Winstar has an AAV certificate and an IXC certificate. Should I open a docket and only list the utility's name for the AAV portion of the docket in the utilities section?
