RE: Administrative Approval of FPL Tariff Sheet No. 4.020 – Service Charges

Dear Ms. Kummer,

Enclosed for administrative approval is a proposed clarification to FPL's Tariff Sheet No. 4.020 – Service Charges. The purpose of this revision is to clarify that FPL may waive the connection charge for new or existing customers affected by natural disasters or during periods of declared emergencies.

Enclosed is the tariff sheet specified above, in legislative format, as well as five copies in proposed format. For your convenience, I have enclosed a prepaid and pre-addressed overnight envelope for you to return the approved tariff sheet (Tracking #1Z FR4 268 01 9433 3826).

If you have any questions on the attached, please do not hesitate to contact me at (305) 552-4519 or Rosemary Morley at (305) 552-2365. Thank you for your assistance.

Sincerely,

SERVICE CHARGES

A \$14.88 service charge will be made for an initial connection.

A \$17.66 Reconnection Charge will be made for the reconnection of service after disconnection for nonpayment or violation of a rule or regulation.

A \$14.88 service charge will be made for the connection of an existing account.

A Returned Payment Charge of \$23.24 or 5% of the amount of the payment, whichever is greater, shall be added to the customer's bill for electric service for each payment dishonored by the bank upon which it is drawn. Termination of service shall not be made for failure to pay the Returned Payment Charge.

Charges for services due and rendered which are unpaid as of the past due date are subject to a Late Payment Charge of 1.5% applied to any past due unpaid balance of all accounts, except the accounts of federal, state, and local governmental entities, agencies, and instrumentalities. A Late Payment Charge shall be applied to the accounts of federal, state, and local governmental entities, agencies, and instrumentalities at a rate no greater than allowed, and in a manner permitted, by applicable law.

A \$5.11 Field Collection Charge will be added to a customer's bill for electric service when a field visit is made and payment is collected on a delinquent account. If service is disconnected, or a current receipt of payment is shown at the time of the field visit, this charge will not be applied.

FPL may waive the Reconnection Charge, Returned Payment Charge, Late Payment Charge and Field Collection Charge for Customers affected by natural disasters or during periods of declared emergencies or once in any twelve (12) month period for any Customer who would otherwise have had a satisfactory payment record (as defined in 25-6.097(2) F.A.C.), upon acceptance by FPL of a reasonable explanation justifying a waiver. In addition, FPL may waive the charge for connection of an existing account and the charge for an initial connection for new or existing Customers affected by natural disasters or during periods of declared emergencies.

CONSERVATION INSPECTIONS AND SERVICES

Residential Dwelling Units:

A charge of \$15.00 will be made for a computerized energy analysis in which a comprehensive on-site evaluation of the residence is performed.

Commercial/Industrial:

There is no charge for conservation inspections and services (Business Energy Services).
