Subject: Effective dates of 5 dockets

Good morning. Five companies requested cancellation of their payphone certificates and we always put the date the request was received as the effective date. However, on all of the compliance investigations for nonpayment of RAFs, I make the effective date 12/31/05. For consistency, Ray has asked me to make the effective date 12/31/05 whenever we deny a company a voluntary cancellation because they also have not paid RAFs. Can the effective date in the docket title for the following dockets be changed to "December 31, 2005?" Please advise.
