RE: Response of Level 3 Communications, LLC to 2005 Local Competition Report Data Request

Dear Ms. Salak:

Enclosed please find the supplemental responses of Level 3 Communications, LLC ("Level 3") to the Commission's 2005 Local Competition Report Data Request. Per the request of Mr. Vic Cordiano, this submission includes a re-formatted CLEC table C and the 2006 exchange list. The responses have been placed in a sealed envelope and Level 3 requests that they be treated as confidential and proprietary pursuant to Florida Statute Section 364.183 (a). Pursuant to recent merger transactions, Wiltel Local Network, LLC (TX373) and Progress Telecom, LLC (TX648) are now operating subsidiaries of Level 3 Communications, LLC and therefore Level 3's responses are inclusive of any data from these two subsidiaries.

Please do not hesitate to contact me with any questions you may have.

Sincerely,

Julie Ahrens
