Ms. Isler, Ms. McCoy and Ms. Bayo,

Thank you all for your assistance. I apologize for reaching out to all of you but unfortunately our designated client contact did not specify or recall which staff member from the FL PSC enforcement division that they had been dealing with.

As to the case at hand, the following company was required by the FL PSC enforcement division to register with the FL Department of State (FL DOS) and FL PSC. In order to avoid the serious FL PSC penalties, the listed applicant company had to submit proof that they had at least submitted the required filings as quickly as possible.

We are in the process of getting the final approval from the FL DOS but there is a minor delay due to a typo on the submitted FEI# on the submitted FL DOS form. A corrected FL DOS form was submitted and we are just waiting for approval. In order to comply with the FL PSC enforcement requirements, I am sending ahead via USPS mail the FL IXC registration filing along with proof that the final FL DOS Approval is in process. I have also attached an advanced electronic copy for your review.

I thank you all for your assistance and hope that this filing finds its way to the FL PSC enforcement personnel assigned to this case.

If you have any questions or comments, please contact me as listed below.
 Best Regards,

Alonzo

Hi Alonzo,

I am part of the Enforcement Group. Your company is correct, we send a compliance letter and follow-up, if they don't comply with registering we file a show cause action.

You can file the IXC registration with pending Secretary of State approval, I just can't complete the filing until it is active.

Happy Friday,
