In re: Natural Gas Conservation)
Cost Recovery Clause.)
_____)

Docket No. 070004-GU
Filed: September 14, 2007

**PETITION FOR APPROVAL OF
INDIANTOWN GAS COMPANY, INC.'S
CONSERVATION COST RECOVERY FACTOR**

Indiantown Gas Company, Inc. ("Indiantown" or "the Company"), through its undersigned attorneys and pursuant to the requirements of this docket, hereby petitions the Commission for approval of the Company's conservation cost recovery factors for its consolidated natural gas division for the period January, 2008 through December, 2008. In support hereof, the Company states:

- 1) The exact name of Petition and the address of its principal office is

Indiantown Gas Company, Inc.
Post Office Box 8
Indiantown, Florida 34956-0008

- 2) The name and address of the person authorized to receive notices and communications with respect to this Petition are:

Norman H. Horton, Jr.,
Messer, Caparello & Self, P. A.
Post Office Box 15579
Tallahassee, FL 32317
Phone: (850) 222-0720
Facsimile: (850) 224-4359

Mr. Brian Powers
President
Indiantown Gas Company, Inc.
Post Office Box 8
Indiantown, FL 34956-0008
Phone: (772) 597-2168
Facsimile: (772) 557-2068

- 3) By Order No. PSC-07-0531-TRF-EG, issued June 26, 2007 in Docket No. 070246-EG, the Commission approved new energy conservation programs for Indiantown as well as cost

recovery factors to recover the costs associated with the programs. The factors were effective in June and have been applied to customer bills since July.

4. Prior to this order, Indiantown had not offered any conservation programs. The programs proposed by and approved for Indiantown will encourage current and future customers to make efficient use of energy resources and replace inefficient appliances with more energy efficient appliances.

5. With the petition for approval of the programs, Indiantown also filed an analysis for each program as well as data and calculations supporting the development of the cost recovery factors to be used to recover the costs associated with the programs. Indiantown has received some revenue as a result of the application of the factor and although no incentive payments have been made, anticipates continuing expenses associated with the development and presentation of the programs. For example, a mailing is scheduled for October to consumers which should result in increased use of the programs.

6. Given the recent start of the programs and lack of historical data upon which to base projections, Indiantown requests that the Commission approve the current factors for use as the cost recovery factors to be applied in 2008. These factors are:

TS-1	\$0.1430/therm
TS-2	\$0.0218/therm
TS-3	\$0.0151/therm
TS-4	\$0.0026/therm

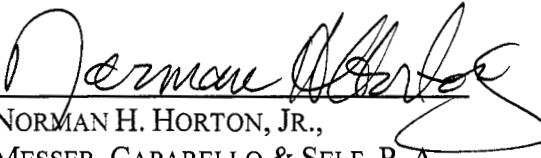

The supporting detail for these factors was filed with the request in Docket No. 070246-EG and there would not be a significant change in these schedules now given the short period of time the programs have been in place. As part of this request, Indiantown also requests that the Commission include

as part of the record in this docket, the supporting data and calculations filed in Docket No. 070246-EG.

7. Using the current factors and data from the earlier is a cost efficient action and effective use of time and is beneficial to the consumers and Company. Under the circumstances outlined herein.

Indiantown requests that the Commission utilize the previously filed data and approve the current recovery factors for use in 2008.

Respectfully submitted,

NORMAN H. HORTON, JR.,
