Dorothy,

Remember this filing? It was originally put in the undocketed files because the company did not include a request for waiver in the filing. Below is the link to the document:

DOCUMENT DESCRIPTION = ILD Telecommunications, Inc./Andiamo Telecom, L.L.C. [ILD/Andiamo] (Nowalsky) - Letter dated 9/21/07 to FPSC/Executive Secretary (sic) advising of an asset purchase agreement whereby ILD will acquire assets related to Andiamo's operator service customer accounts [in Florida]; with attached draft customer letter.

DOCUMENT PATH =

<file://L:\PSC\LIBRARY\FILINGS\07\08894-07>

Document ID = 08894-07

Document Filed 09/27/07

They submitted the request for waiver, but it was addressed to Beth Salak and delivered directly to me. I took it down and gave it to Ruth. She is docketing it, and asked me to send you this email so you could put the undocketed document in the docket file when it is ready.

If you have any questions, call me. Thanks.

Melinda

Ruth,

The filing was addressed to Beth Salak on the FedEx envelope and the whole package, including original documents, was delivered directly to me. Do you want me to bring you the whole package for docketing and such?

Ruth,

For the time being, this should go in the undocketed file. However, Nowalsky will be sending a supplemental response requesting a waiver of the slamming rules. Once that comes in, a docket should be opened for the waiver. And, when the docket is opened, the undocketed filing should be placed into the docket file.

Let me know if you have any questions.

Melinda, as a heads-up, the docket will be assigned to you when Nowalsky submits the supplemental. I will give you a copy of the current filing since it has not been scanned yet.
