The only change I would make to your revised title below is to change "rescinds" to "rescinding" and take out "the" between rescinding and FPSC... other than that, it looks great. Thank you for your help.

How about this:

Resolution No. 2007-143 by Charlotte County Board of Commissioners, in accordance with Section 367.171, F.S., rescinds the Florida Public Service Commission jurisdiction over private water and wastewater utilities in Charlotte County.

Hi Cheryl,

I have your request to establish docket form for Charlotte County Board of Commissioners to regulate private water and wastewater utilities in Charlotte County. In looking back over some old dockets, I found that Docket 011344 is a similar docket. The docket title reads:

Resolution No. 2001-128 by Nassau County, in accordance with Section 367.171, F.S., rescinding Florida Public Service Commission jurisdiction over investor-owned water and wastewater systems in Nassau County.

With that being said, are you sure you want your title for the new docket to read:

DOCUMENT NUMBER-DATE

09200 OCT-8 8

10/8/2007

FPSC-COMMISSION CLERK

Ordinance by Charlotte County Board of Commissioners to regulate private water and wastewater utilities in Charlotte County.

Or would you like it to conform more to the style of the docket mentioned above. If so, please let me know by way of this e-mail and I will make the change while setting up the new docket. Thanks.

Dorothy
