Jeff, I will update the title as requested below.

Hong, can you help Jeff out with the event code for statutory deadline?

Subject: 070562-TP - Embark/AT&T adoption by MCImetro Access Transmission etc.

Dorothy, MCImetro Access (Verizon) is adopting the Embark/AT&T agreement in whole. The underlying agreement (060543-TP) contains an Addendum and Amendment and the adoption terms cite adoption of the agreement in its entirety. Since the agreement is a pure adoption per Section 2.07.C.5.b of the Administrative Procedures Manual, it doesn't need the statutory deadline. Can the even code and date for the statutory deadline be removed so this adoption is shown correctly.

Also, in the docket title, can we remove the reference to "and Addendum No. 1 and Amendment No. 1"?
