Good morning Kay,

I'm sorry for the confusion. I received an message from the server at 5:12 p.m. yesterday that my e-mail with the electronic filing (sent at 4:16 p.m.) was delayed. I called this morning to see if it had been received, but according to the person I spoke to it had not, so I sent it again. So you are right, it is a duplicate. Please disregard the filing sent this morning. Thank you for her help.

Good morning, Ann. This filing appears to be a duplicate of a filing sent yesterday (received/filed this morning due to technical problems). Can you confirm it is a duplicate? If so, we will not process the second filing that apparently was sent this morning.

Thanks, and I'll be waiting to hear from you.
